Bliss Cruise

Welcome aboard the Bliss Cruise™

SYMPHONY OF THE SEAS

Welcome on board Bliss Cruise charter on one of our favorite premium cruise lines---Royal Caribbean, sailing to the Western Caribbean on RCI Symphony of the Seas.

Your Bliss Travel Agent, Bliss Cruise team, workshop presenters and Bliss Partners **Thank You** for your business and continued support.

While you're here, choose to cruise again with Bliss by visiting your favorite travel agent for availability and **BOOK IT** with a deposit. They've got your cabin.

Events, entertainment and music on Bliss cruises reflect **YOUR** ideas and suggestions about your choices of itineraries, themes, entertainment and workshop ("playshops"...it's NOT work) you want to experience. You're invited to contribute your cruise survey to help design future Bliss Cruises. We listen to you and read **EVERY** survey for new content and suggestions.

CHOICES

Where to dine, what to wear, where you can enjoy a tan all over, what parties to attend and whether to participate in the lifestyle...there's no wrong answer and nobody's grading you.... so meet everyone you can, bust loose and have a blast.

QUESTIONS?

1. *Do I have to be nude?* - **NO**
1. *Will I be expected to participate in any lifestyle activities?* - **NO**

IMPORTANT GUIDELINES

Respect others. No drugs. Sex is only permitted in your cabin and designated playrooms throughout the ship during listed operational hours. Please be socially responsible and practice safe sex.

NEWCOMERS

If you're new to adult cruising and Bliss specifically, attend one of the newcomers seminars "Sensual Discovery For The First Time aboard Bliss" hosted by James and Champagne, located in the On Air Club on Deck 5 from 2:00 pm - 3:00 pm, organized especially for YOU! Also check out "Navigating the Bliss Cruise Q&A" hosted by Bliss Ambassadors Mike & Lilly, in the On Air Club on Deck 5 from 3:00 pm to 3:30 pm.

WHO'S HELPING?

Bliss Cruise is honored to welcome and thank many who asked to be Bliss Volunteers. If you have questions, you can ask Bliss Ambassadors Mike and Lilly or ask Bliss hosts who are wearing blue Bliss shirts. The Bliss security team is here to help, too; look for the "men and women in neon yellow."

*** ALERT ***

Crew members are prohibited from participation in any form of sexual activity (playtime) with Bliss passengers. They are completely off-limits as they will LOSE their much needed job. Passengers may also be removed from the ship at the discretion of ship security for violations of this policy.

HOW DO I MEET ANYONE?

Our favorite advice: Just open your mouth...You may be surprised what happens. Be creative and talk to everyone you meet.... another couple may be nervously looking for someone like you two, too. You all have one thing in common: Either you're a newbie or you're not. Either way, you'll find it's a good way to start the conversation.

Thank you again for your business from:

Bliss Cruise Partners, Bliss Cruise affiliate travel agencies, and Bliss Volunteers.

EMBARKING with Jon & Dawn

Dawn and I would like to take this opportunity to welcome everyone onboard the beautiful Symphony of the Seas for this amazing Bliss Charter. **This will be the world's largest lifestyle cruise ever!** We are going to take you behind the scenes and let you in on all our secrets so you can get the most out of your BLISS EXPERIENCE and make this not only the largest lifestyle cruise but the best too.

Where to Eat?

There is no shortage of places to eat when you have worked up an appetite. If you want to make it extra special, try speciality dining. Enjoy Nonna's kitchen (Jamie's Italian), the streets of Kyoto (Izumi Sushi and Izumi Hibachi), go down the rabbit hole (Wonderland), try Northeast seafood (Hooked), or the best of everything (Taste of Royal and Chef's Table) all onboard. There are many options, and many are also available for lunch on sea days.

Chops is the location for two seatings of the erotic and stimulating Fetish Dinner on Day 5. **The Fetish Dinner brings the sights, sounds, and some of the physical experiences of the dungeon to a beautiful restaurant.** Even if you don't normally find yourself in the

Dungeon, you should book a reservation. The Dungeon Master will go as hard or soft as you want.

In the evening, doors to Main Dining open at 5:15pm and the last seating is 9:15pm. 7:00 to 8:00pm are always the busiest so if you don't want to stand in line, we suggest you arrive at Main Dining before 6:30 or after 8:30pm. I will say this though, standing in line for dinner is also a great way to meet new couples.

Private Photo Sessions

Have you ever wanted to do a boudoir or sexy black and white photo session? Maybe you want a private session by yourself, with your partner, or maybe even with a few other partners you met on the cruise? Take advantage of when you feel your sexiest... on a Bliss Cruise!

Help Desk or Guest Services?

Where do you go to if you need help or have a question? **If its Bliss related, please go to the Bliss Help Desk in Next Cruise. If it is ship related, please go to Guest Services.** You can also ask any Bliss Host Couple in the blue shirts or Bliss Security in the yellow shirts, and they can help or at least take you where you need to go.

Seminars

Where else other than a Bliss cruise are you going to have the chance to attend interactive seminars and workshops on squirting, rope play, blindfolds, and orgies? **Seminars and workshops are an amazing way to meet other couples or to build on your relationship with your partner. Take what you learn and bring it back to the bedroom.**

Some workshops, specifically those that involve play, have limited spaces so you will need to reserve a spot. **You can purchase your space on the bed for the workshops starting at 1:30 p.m. on Day 1 at the Symphony Theater.** Spots sell extremely fast so do not wait!!

Drink Packages

A drink package allows you the opportunity to try many new and interesting cocktails, wines, and beers that you wouldn't try at home. **A different type of experimenting on Bliss!** In fact, each bar offers their own signature drinks to enjoy. If one is not to your liking, no problem, just try another. Drink packages are especially beneficial for those long days by the pool or late evenings in the clubs. Note: Royal Caribbean requires that all passengers in the cabin to purchase the same package unless you have a note from your doctor that you cannot drink alcohol. Drink packages are available from any bar up to noon on Day 2.

Indulge in the Spa

After a long day, or an extra-long night, indulge in a spa treatment. **Vitality at Sea Spa offers couples massages, detox wraps, facials, IV therapy, acupuncture, hair & nail services, and MedSpa treatments.** Lots of options for men & women! See the Royal Compass for daily promotions.

Daily Video

Tune in every morning to the Bliss channel to see our daily video with more exciting tips and information about what is going on. We'll see you around the ship!!

THEME NIGHTS

IT IS NOT REQUIRED THAT YOU DRESS IN THEME BUT IT CAN ADD SOME EXTRA FUN TO THE EVENING!

*The order of the themes is subject to change.

DAY 1 - HIGH SCHOOL FLASHBACK

Whether you were a preppy cheerleader, jock, nerd, or band geek in high school, tonight's the night to relive your glory days or reinvent the past. Break out the cheerleader outfit, letterman jacket, taped-up glasses, and pocket protector because it's time to go "back to school."

DAY 2 - RED CARPET FORMAL NIGHT

Everyone gets to walk the red carpet at this VIP party! Tonight is about glitz, glamor and fashion as you show off your best style.

DAY 3 - SUPERHEROS VS VILLAINS

Bam! Zap! Pow! Come one, come all to the epic showdown of super heroes vs villains. Everyone loves a hero but sometimes being the bad guy can be so much fun. Are you the superhero that saves the party or the villain causing chaos? Pick a side...

DAY 4 - 80'S NEON GLOW NIGHT

Dudes and dudettes, when the sun goes down, we light up the night in the brightest neon outfits possible. Rock the 80's neon vibe for our most "rad" party ever...Glow Night! So forget the chill pills and let's glow crazy...

DAY 5 - FETISH NIGHT / FIRE & ICE

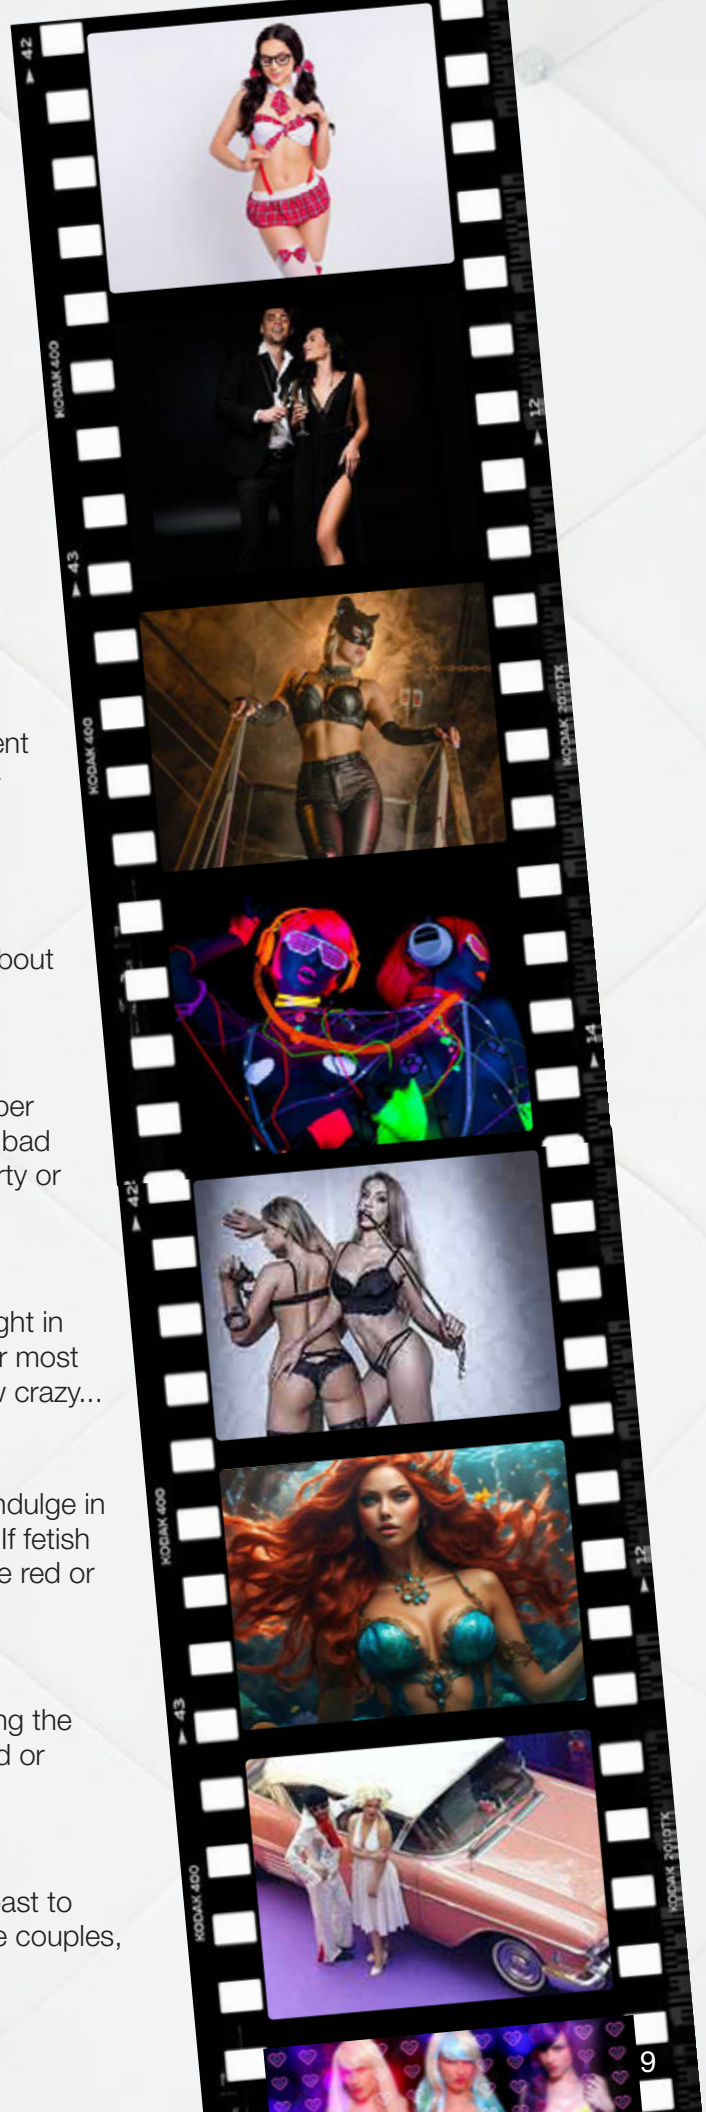

Fetish night provides the perfect opportunity to get your kink on, indulge in your fantasies and explore your fetishes (whatever they might be). If fetish isn't quite your thing, then opt for our Fire & Ice theme. Dress in fire red or be icy in shiny blue or silver.

DAY 6 - UNDER THE SEA

Make a splash as we dive deep for our underwater adventure. Bring the creatures of the ocean to the surface. Discover your inner mermaid or merman, be zany like SpongeBob, be the King of Atlantis, etc.

DAY 7 - FAMOUS COUPLES

Grab your partner and dress as famous, iconic couples from the past to present. Historic couples, comic book and cartoon couples, movie couples, Hollywood couples (you get the idea). Choose your favorite...

Bliss Cruise Meet & Greets

Bliss Cruise holds passenger Meet & Greets daily. The Meet & Greets are a great opportunity for you to meet other passengers just like you and even cut to the chase relating to specific sexual boundaries. Unless otherwise indicated, all passengers are invited to attend Meet & Greets.

FEATURED

THE REINCARNATED - Based in Orange County, CA, The Kings of Queen perform all of their vocal and instrumental parts live without any need for overdubs or vocal tracks. Given that their lead singer has been dubbed as the reincarnated Freddie Mercury, frontman Emo Alaeddin is quite the spectacle.

**PERFORMANCE ON DAY 6
IN THE THEATER AT 10PM
AND ON DAY 7 AT 3PM**

THE MAN UP FRONT - In addition, Alaeddin's vocal tone and range makes the live shows just like the real thing. Equally important to his vocals and looks are the costumes, which Alaeddin is known to change up to four times in one performance. After all, when it comes to stepping into the shoes of the greatest rockstar ever to walk the earth, covering every base is of the utmost importance. Moreover, a live experience of The Kings of Queen is the reason they have sold out venues and festivals time and time again since their formation in 2021.

SOUNDS JUST LIKE THE RECORD - Despite the numerous voices on Queen records, The Kings of Queen possess the ability to bring the 4-part harmonies live to the stage. Consequently, this transforms the live performance into a showcase matching the recorded treasures.

With all of this in mind, don't miss out on an opportunity to relive the magic of Freddie Mercury and Queen.

Performance on Day 6 in the Theater at 10pm and on Day 7 at 3pm.

Approach, Connect, & Play All Day!

Hello! We're Mike & Lilly, your Bliss Ambassadors. After 15 cruises, we've got the insider knowledge on what works best for meeting couples on board.

Approach, Connect, & Play is our most popular seminar because that's where we teach you how to go from "hello" to "ohhh yeah!" as quickly as possible. This time, we only have room to deliver it once on day one. So to ensure you don't miss out on the advice, we've condensed the most crucial information from that one hour talk into this brief article.

Obviously, many things will be lost in translation, so if you're interested in a recording of the full-length seminar (and much more), head over to DirettoSkills.com and enter code BLISS at checkout. You can also come talk to us at one of our many scheduled events. We give out prizes for participating and asking questions!

A Guide to Quick Connections

1. Approach: First – we know this can be the hardest part (come see us for help) – you have to actually walk up to someone and say hello. Get the person's attention with a friendly wave and be sure to smile wide as you walk up.

2. Pre-Frame: This is a powerful tool for reducing confusion and awkwardness. A pre-frame helps the interaction feel smoother, more considerate, and less abrupt. We use two types of pre-frames:

Buying Time: Use a few extra filler words so your listener has a moment to realize you want to start a conversation. Example: *"So I noticed you from over there and I had to come over to say..."*

Social Calibration: Self-awareness is both sexy and comforting. Demonstrate it. Example: *"I know this is random, but I had to come over and say hello!", "I realize I'm interrupting...", "This may sound too forward..."*, etc.

3. Compliment–Question: Combine a compliment with a question in one sentence to make it clear that you want to talk. Do not pause between the compliment and the question or you risk confusing the listener.

Examples:

"You look super sexy in that outfit–where did you get it?"

"You two seem like a really fun couple–where are you from?"

4. Emotional Connection: Skip small talk and dive into meaningful topics. People require emotional connections to get excited, so don't waste time on banter. Look for things in common and screen for compatibility. The most important emotion to connect on is fun; and the most important compatibility question this week is, *"how do you like to play?"*

5. Pull the Trigger on Next Steps: Whether it's exchanging contact info, or setting up a playdate for later, now's the time to ask for what you want clearly and specifically. If it feels like you've made a connection, describe a plan for spending time together. Specificity reduces tentative commitments. You can also just ask them straight back to your cabin, or into a playroom if they're open.

Follow these steps to create meaningful connections without awkward small talk. Practice makes perfect, so get out there and start connecting!

Language OF THE Lifestyle

PLAY:

Sexual activity and/or physical interaction of a sexual nature with someone other than your partner.

SOFT SWAP:

For those not sure how far they want to go or have established a Rule not to go all the way "This type of play generally includes kissing, touching, stroking, and/or oral sex — just about anything short of penetration. This is also often referred to as soft play, as "swapping" partners is not necessarily an integral part of "soft" activities.

EXHIBITIONISM:

"Could it be a Porn Star?" It is engaging in sexual activity while being watched by others.

FULL SWAP:

"For Those Who Go All The Way" An exchange of partners in which the participants have agreed that intercourse is permissible and a desirable outcome when "playing" with others.

VOYEURISM:

"Not a Spy Game" It is gaining sexual pleasure by watching others who are engaging in sexual activity.

BDE:

Big Dick Energy is the energy emitted by someone who has a colossal phallus and doesn't have to tell anyone about it. The energy speaks for itself. Everyone strives for Big Dick Energy. Only a few possess such a gift.

HALL PASS:

"Isn't a pass to have sex in the hallways" It is Permission from your partner to engage in sexual activity without your partner being present.

BARE-BACKING:

“Not save a horse ride a Cowboy” It is Penetration sex without the use of a condom. Not recommended. Always practice safe sex.

ON-BOARD MEET & GREETINGS AND SEMINARS:

One of the best ways to meet others on the cruise! They are listed in the Bliss Program & Daily On-board Planner, to include days and times! Meet as many couples as you can by going to these meet and greets and seminars -- and then practice your newly learned techniques. Remember, it's one of the main reasons most couples are on the cruise — to meet others. The subjects will cover a wide range of topics for Newbies & Advanced.

COUPLES SPEED DATING:

“Thinking Orgy?” Actually no, each couple is given a minute or two to introduce themselves and determine if there's any interest in spending more time together. It's a great way to meet dozens of couples in a short period of time and, to make sure you don't run out of things to talk about, there's usually a list of prepared or suggested questions to take the pressure off trying to “make conversation.”

UNICORN:

“Not the fairy tale myth with one horn” Refers to a single female.

VANILLA:

“Nothing to do with Ice cream” A term used to describe those who are not in the lifestyle, for example, “This will be a lifestyle takeover cruise with no vanilla guests on-board.”

BONDAGE, DOMINATION, SADO-MASOCHISM

— this covers a wide range of different activities, from playful teasing and gentle spanking to the application of intense pain. There is an entire subculture devoted to individual and group exploration of BDSM, with the practice as varied as those who enjoy it. Still Curious? There is a playroom on board referred to as a dungeon or fetish room exclusively devoted to BDSM, with introductory demonstrations. You can watch, volunteer or participate.
