# Welcome aboard the Bliss Cruise™

## EXPLORER OF THE SEAS

Welcome on-board Bliss Cruise on one of our favorite premium cruise lines – Royal Caribbean, sailing on Explorer of the Seas.

Your Bliss Travel Agent, Bliss Cruise team, and workshop presenters thank you for your business and continued support.

While you're here, choose to cruise again with Bliss by visiting your favorite travel agent for availability and **BOOK IT** with a deposit. They've got your cabin.

Events, entertainment and music on Bliss cruises reflect **YOUR** ideas and suggestions about your choices of itineraries, themes, entertainment and workshop ("playsshops"...it's NOT work) you want to experience. You're invited to contribute your cruise survey to help design future Bliss Cruises. We listen to you and read **EVERY** survey for new content and suggestions.

### CHOICES

Where to dine, what to wear, where you can enjoy a tan all over, what parties to attend and whether to participate in the lifestyle...there's no wrong answer and nobody's grading you....so meet everyone you can, bust loose and have a blast.

### QUESTIONS?

1. *Do I have to be nude?* - **NO**
2. *Will I be expected to participate in any lifestyle activities?* - **NO**

### IMPORTANT GUIDELINES

**No means No - Respect others, No drugs, sex is only allowed in your cabin and designated playrooms throughout the ship during listed operational hours, and Please be socially responsible and practice safe sex.**

### NEWCOMERS

If you're new to adult cruising and Bliss specifically, attend one of the newcomers seminars "Sensual Discovery For The First Time aboard Bliss" hosted by James and Champagne of Castaways Travel, located in the Schooner Bar on Deck 4 from 2:00 pm - 3:00 pm, organized especially for YOU! Also check out "Navigating the Bliss Cruise Q&A" hosted by Bliss Ambassadors Mike & Lilly, in the Schooner Bar on Deck 4 from 3:00 pm to 3:30 pm.

### WHO'S HELPING?

Bliss Cruise is honored to welcome and thank many who asked to be Bliss Volunteers. If you have questions, you can ask Bliss Ambassadors Mike and Lilly or ask Bliss hosts who are wearing blue Bliss shirts. The Bliss security team is here to help, too; look for the "men and women in neon yellow."

## \*\*\* ALERT \*\*\*

### **Crew members are prohibited**

from participation in any form of sexual activity (playtime) with Bliss passengers. They are completely off-limits as they will LOSE their much needed job. Passengers may also be removed from the ship at the discretion of ship security for violations of this policy.

## HOW DO I MEET ANYONE?

Our favorite advice: Just open your mouth...You may be surprised what happens. Be creative and talk to everyone you meet....another couple may be nervously looking for someone like you two, too. You all have one thing in common: Either you're a newbie or you're not. Either way, you'll find it's a good way to start the conversation.

### ***Thank you again for your business from:***

Bliss Cruise Management, Bliss Cruise affiliate travel agencies, and Bliss Volunteers.

# Bliss Cruise™

**T**hank you all for joining us on this Bliss Cruise aboard the Explorer of the Seas! We're thrilled to have you here, and we're committed to making sure you have the time of your life.

On February 17th, we announced that Bliss was acquired by a group of investors, led by Russell Stephens as CEO. Although this transition happened just two months before this charter, we're excited to begin sharing some of the exciting changes we have in store for Bliss. Starting on this cruise, you can expect:

**A Brand-New App:** This innovative app is designed to make connecting with fellow guests easy and fun, while also giving you full access to all onboard activities.

**Expanded Music Experiences:** Enjoy performances from both familiar and new DJs across multiple venues, with each venue dedicated to a specific genre to ensure there's something for everyone. Whether it's Top 40, Latin, Country, or EDM, the party will always be just your style.

**Revamped Playrooms:** We're giving the playrooms a complete makeover to create a sexy, sensual atmosphere where you can explore your fantasies. Each night, the décor will change to match the theme of the evening.

**New Dance and Play Events:** We're introducing four exciting new events, including thrilling dance and play pool parties on two afternoons, to elevate the onboard experience.

**Enhanced Fetish Nights:** For those with a taste for kink, we're adding new features to our signature Fetish Night, including a sinful party in Studio B with live fetish entertainment that will take things to the next level.

This is just the beginning of an exciting new chapter for Bliss Cruise, where we're committed to bringing you all the same unforgettable experiences you love, along with thrilling new additions.

We also want to take a moment to thank the incredible previous partners who helped build Bliss into the best lifestyle cruise at sea over the last 10 years. We are deeply grateful for their work and the foundation they've provided.

Looking ahead to Bliss' 10th anniversary this November, we invite you to join us on the Celebrity Reflection, from November 8-15, 2025. We've got some exciting plans in store and hope to see you there!

*Thank you from the Bliss Ownership.*

# EMBARKING with Jon & Dawn

Dawn and I would like to welcome everyone onboard the beautiful Explorer of the Seas for this amazing Bliss Charter. We are going to take you behind the scenes and let you in on our secrets so you can get the most out of your BLISS EXPERIENCE and make this your best lifestyle cruise!

## Where to Find Information?

### Help Desk or Guest Services?

Where do you go to if you need help or have a question? **If it's Bliss related, go to the Bliss Help Desk in Next Cruise on deck 6. If it is ship or cabin related, go to Guest Services on deck 5.** You can also ask any Bliss Host Couple in blue shirts or Bliss Security in the yellow shirts, and they can help.

### Bliss App

**The Bliss App is your go-to guide for all the incredible activities and events happening on our cruise.** To make the most of your experience, we recommend checking the app each morning to see what's in store for the day. You can even book and favorite events that catch your eye, ensuring you won't miss out on those exciting Meet & Greets or catching your favorite DJ's set! To ensure a smooth experience, **please download the app before you board the ship or while in port and then connect to the ship's Wi-Fi.**

## Seminars

Starting day 1, the seminars and playshops onboard are an amazing way to learn about navigating Bliss cruise, learning about the lifestyle, and finding ways to grow your relationship. Where else are you going to have the chance to attend seminars and workshops on squirting, BDSM, and orgies?

**Seminars and workshops are also an amazing way to meet other couples.** Take what you learn and bring it back to the bedroom. **Some playshops, have limited space so you will need to reserve a spot. You can purchase your space on the bed through the Bliss App.** Spots sell quickly so do not wait!!

## Daily Video

Tune in every day to the Bliss TV channel to see our daily videos. There will be more valuable tips and information about what's going on.

## What's New This Cruise?

### Playroom Updates

If you thought the playrooms couldn't get better, just wait! **Each night, the playrooms will be decorated to match the evening theme.** Make sure you come back each night to see the changes and set the mood.

## Conversational Lounge

A Bliss Cruise for many is about getting to know other people. **Bliss listened to your survey feedback and now have a Conversational Lounge in the Library on deck 7.** The lounge is for conversation and making connections.

## Let's Get the Party Started

### Drink Packages

**A drink package allows you the opportunity to experiment and try new and interesting drinks that you might not try at home.** If one is not to your liking, no problem, just try

another. Drink packages are especially beneficial for those long days by the pool or late evenings in the clubs. Note: Royal Caribbean requires that all passengers in the cabin purchase the same package unless you have a note from your doctor that you cannot drink alcohol. Drink packages are available from any bar up to end of day on Day 2.

## Dance and Play Pool Party

Bliss is putting a spin on afternoon pool parties! **Bliss will be hosting Dance and Play in the Solarium on days 2 and 6.** Dance to the DJ and then do different types of moves on the beds to have even more fun. **Check the Bliss App for days and times when play is allowed in the Solarium.**

## Find Your Music

**Each night, different venues will be dedicated to specific types of music. Use the Bliss App to find out where on the ship our DJ's will be playing Top 40's, Latin, Country, and EDM.** If DJ's aren't your thing, you can also find other musical options such as karaoke and dueling piano players, around the ship each night.

## Fetish Night

Fetish Night isn't just in the dungeon. Chops is the location for two seatings of the erotic and stimulating Fetish Dinner on Day 5. **The Fetish Dinner brings the sights, sounds, and some of the physical experiences of the dungeon to a beautiful restaurant.** Even if you don't normally find yourself in the Dungeon, you should book a reservation. The Dungeon Master will go as hard or soft as you want. **Later, the party continues in Studio B where we will turn it into our own fetish club with sexy entertainment!**

We'll see you around the ship!!

## THEME NIGHTS

IT IS NOT REQUIRED THAT YOU DRESS IN THEME BUT IT CAN ADD SOME EXTRA FUN TO THE EVENING!

### DAY 1 - Into the Deep Blue

No need for crazy costumes on your first night. Keep it simple and dress in your favorite shade of blue while you party the night away sailing on the deep blue ocean.

### DAY 2 - Formal Night (Black & Gold)

Let's dress up our classic formal night with a mix of black and gold attire.

### DAY 3 - Glow Night

It's time to glow! Light up the night during this poolside party with your best neon and glow outfits. "If it glows, it goes..."

### DAY 4 - Lord of the Jungle (Tarzan & Jane Theme) -

"Me Tarzan, You Jane" Swinging from the vines won't be the only swinging you do tonight. Loincloths and old-world safari hunter attire will set the stage for this wild night of aping around.

### DAY 5 - Fetish Night / Saints & Sinners

Fetish night provides the perfect opportunity to get your kink on, indulge in your fantasies and explore your fetishes (whatever they might be). If fetish isn't quite your thing, then opt for our Saints & Sinners theme. Dress in angel wings or devil horns.

### DAY 6 - T-Shirts (Best / Funny)

All things must come to an end. On our last night, let's keep things comfortable and best of all...funny. Wear your most clever and funny lifestyle t-shirt as we make the best of our final night together.

\*The order of the themes is subject to change.

# Bliss Cruise Meet & Greets

Bliss Cruise holds passenger Meet & Greets daily. The Meet & Greets are a great opportunity for you to meet other passengers just like you and even cut to the chase relating to specific sexual boundaries. Unless otherwise indicated, all passengers are invited to attend Meet & Greets.

**Please note: download the NEW Bliss Cruise App before boarding the ship to access the daily Cruise Compass. As RCI has gone digital, there will not be a printed Cruise Compass. You can access the Bliss Cruise Compass on the NEW Bliss Cruise App or scan the QR code located inside your cabin to read and download the PDF of the Daily Cruise Compass.**

**For the most up to date information please use the NEW Bliss Cruise App. In order to view the up to date events please turn on airplane mode and connect to the ship's wifi.**

# *Approach, Connect, & Play All Day!*

Hello! We're Mike & Lilly, your Bliss Ambassadors. After 15 cruises, we've got the insider knowledge on what works best for meeting couples on board.

Approach, Connect, & Play is our most popular seminar because that's where we teach you how to go from "hello" to "ohhh yeah!" as quickly as possible. This time, we only have room to deliver it once on day one. So to ensure you don't miss out on the advice, we've condensed the most crucial information from that one hour talk into this brief article.

Obviously, many things will be lost in translation, so if you're interested in a recording of the full-length seminar (and much more), head over to [DirettoSkills.com](http://DirettoSkills.com) and enter code BLISS at checkout. You can also come talk to us at one of our many scheduled events. We give out prizes for participating and asking questions!

## **A Guide to Quick Connections**

**1. Approach:** First – we know this can be the hardest part (come see us for help) – you have to actually walk up to someone and say hello. Get the person's attention with a friendly wave and be sure to smile wide as you walk up.

**2. Pre-Frame:** This is a powerful tool for reducing confusion and awkwardness. A pre-frame helps the interaction feel smoother, more considerate, and less abrupt. We use two types of pre-frames:

**Buying Time:** Use a few extra filler words so your listener has a moment to realize you want to start a conversation. Example: *"So I noticed you from over there and I had to come over to say..."*

**Social Calibration:** Self-awareness is both sexy and comforting. Demonstrate it. Example: *"I know this is random, but I had to come over and say hello!", "I realize I'm interrupting...", "This may sound too forward..."*, etc.

**3. Compliment–Question:** Combine a compliment with a question in one sentence to make it clear that you want to talk. Do not pause between the compliment and the question or you risk confusing the listener.

### **Examples:**

*"You look super sexy in that outfit–where did you get it?"*

*"You two seem like a really fun couple–where are you from?"*

**4. Emotional Connection:** Skip small talk and dive into meaningful topics. People require emotional connections to get excited, so don't waste time on banter. Look for things in common and screen for compatibility. The most important emotion to connect on is fun; and the most important compatibility question this week is, *"how do you like to play?"*

**5. Pull the Trigger on Next Steps:** Whether it's exchanging contact info, or setting up a playdate for later, now's the time to ask for what you want clearly and specifically. If it feels like you've made a connection, describe a plan for spending time together. Specificity reduces tentative commitments. You can also just ask them straight back to your cabin, or into a playroom if they're open.

Follow these steps to create meaningful connections without awkward small talk. Practice makes perfect, so get out there and start connecting!

This is a zero tolerance rule. **Please be socially responsible and practice safe sex.**

There is a playroom designated for couples-only; Star Lounge. In this playroom, passengers are **NOT** permitted to enter unless the male and female are present. Once any person of the couple departs the playroom, the other person of the couple must vacate the playroom.

**All playrooms are designated for PLAY, not conversation. Please keep conversation volume to a minimum or you may be asked to leave by the playroom manager. No personal speakers, cameras, recording devices or cell phones permitted inside playrooms.**

Passengers may be waiting their turn for play space. Upon conclusion of your playtime, kindly gather your personal belongings and exit from the play space in a respectful manner noting that play may still be happening next to you.

For maintenance, Play is considered concluded once all participants on designated mattress leave the mattress. No mattress-hogging permitted. Also, Play beds may not be reserved in advance.

No drape peeping. If any party closes the drape of a mattress area, please respect their privacy.

# Language OF THE Lifestyle

By Barb & Doug of Erotic Adult Travel (EAT)

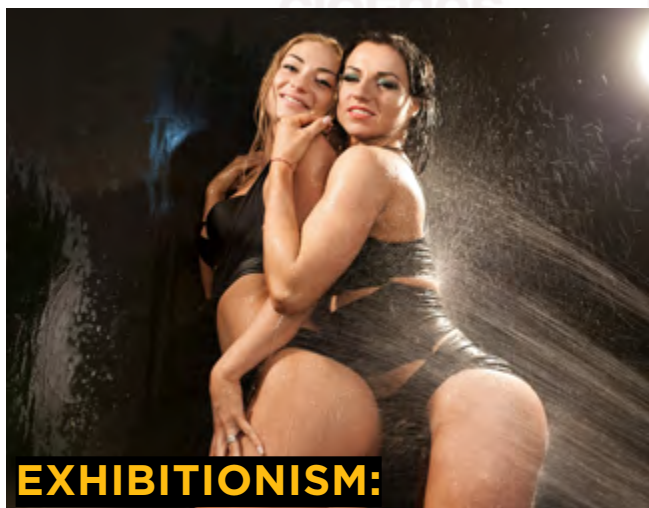

## PLAY:

Sexual activity and/or physical interaction of a sexual nature with someone other than your partner.

## SOFT SWAP:

For those not sure how far they want to go or have established a Rule not to go all the way "This type of play generally includes kissing, touching, stroking, and/or oral sex — just about anything short of penetration. This is also often referred to as soft play, as "swapping" partners is not necessarily an integral part of "soft" activities.

## EXHIBITIONISM:

"Could it be a Porn Star?" It is engaging in sexual activity while being watched by others.

## FULL SWAP:

"For Those Who Go All The Way" An exchange of partners in which the participants have agreed that intercourse is permissible and a desirable outcome when "playing" with others.

## VOYEURISM:

"Not a Spy Game" It is gaining sexual pleasure by watching others who are engaging in sexual activity.

## BDE:

Big Dick Energy is the energy emitted by someone who has a colossal phallus and doesn't have to tell anyone about it. The energy speaks for itself. Everyone strives for Big Dick Energy. Only a few possess such a gift.

## HALL PASS:

"Isn't a pass to have sex in the hallways" It is Permission from your partner to engage in sexual activity without your partner being present.

## BARE-BACKING:

“Not save a horse ride a Cowboy” It is Penetration sex without the use of a condom. Not recommended. Always practice safe sex.

## ON-BOARD MEET & GREETINGS AND SEMINARS:

One of the best ways to meet others on the cruise! They are listed in the Bliss Program & Daily On-board Planner, to include days and times! Meet as many couples as you can by going to these meet and greets and seminars -- and then practice your newly learned techniques. Remember, it's one of the main reasons most couples are on the cruise — to meet others. The subjects will cover a wide range of topics for Newbies & Advanced.

## COUPLES SPEED DATING:

“Thinking Orgy?” Actually no, each couple is given a minute or two to introduce themselves and determine if there's any interest in spending more time together. It's a great way to meet dozens of couples in a short period of time and, to make sure you don't run out of things to talk about, there's usually a list of prepared or suggested questions to take the pressure off trying to “make conversation.”

## UNICORN:

“Not the fairy tale myth with one horn” Refers to a single female.

## VANILLA:

“Nothing to do with Ice cream” A term used to describe those who are not in the lifestyle, for example, “This will be a lifestyle takeover cruise with no vanilla guests on-board.”

## BONDAGE, DOMINATION, SADO-MASOCHISM

— this covers a wide range of different activities, from playful teasing and gentle spanking to the application of intense pain. There is an entire subculture devoted to individual and group exploration of BDSM, with the practice as varied as those who enjoy it. Still Curious? There is a playroom on board referred to as a dungeon or fetish room exclusively devoted to BDSM, with introductory demonstrations. You can watch, volunteer or participate.
